## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The instant invention claims a laminate film comprising a polyetheramine resin having specific structure and properties. The closest prior art reference that relates to the claimed invention is Beckerdite'621. Applicants have submitted a valid Declaration showing that the Backerdite'621 does not teach the claimed invention.

The closest prior art of record does not teach or suggest the instant invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b. kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
